

MINORITY BUSINESS ENTERPRISES POLICY

The Wicomico County Board of Education gives all qualified businesses an equal opportunity to participate in the Wicomico County Board of Education procurement process, therefore, it is the policy of the Wicomico County Board of Education to comply with all current laws and regulations established by the State of Maryland which apply to the Wicomico County Board of Education concerning the use and encouragement of Minority Business Enterprises (MBE) to participate in the procurement process.

The Superintendent is responsible for establishing regulations and procedures to enforce this policy.
