

SCHOOL BUS CONTRACTORS

The Wicomico County School System is accepting applications from parties interested in becoming independent school bus contractors. Applicants must be able to provide a certified, reliable school bus and mature individuals who are willing to provide school bus transportation services for students attending Wicomico County Public Schools in a professional and courteous manner.

Basic Qualifications

- * 21 years of age or older
- * Wicomico County resident
- * Financial ability to provide a reliable, certified school bus
- * Possession of, or willingness to obtain a Maryland commercial drivers license with an "S" endorsement
- * Possession of a driving record with no more than 2 points on a current Maryland MVA record.
- * Ability to provide a primary and substitute certified school bus driver.

All applicants are subject to results of a criminal background record check and drug testing. Applications are available from the Purchasing Department at the Wicomico County Board of Education. Applications must be submitted to the Purchasing Department.
