

VACCINATION REQUIREMENTS

Maryland School Year 2010 - 2011 (Valid 9/1/09-8/31/10)

Each prekindergarten or kindergarten student must present proof in the form of a letter, note or shot record card from his/her doctor or the health department noting the month, day, and year for each of the vaccines below. Failure to provide proof of immunization or other required documentation will result in exclusion from school until requirements are met.

Vaccination	Pre-Kindergarten Requirements	Kindergarten Requirements
DPT (Diphtheria, Tetanus, Pertussis)	4 doses	4 doses
Polio	3 doses*	3 doses*
Measles (Rubeola)	1 dose may be given up to 4 days before 1 st birthday	2 doses*
Mumps	1 dose* may be given up to 4 days before 1 st birthday	1 dose*
Rubella (German Measles)	1 dose* may be given up to 4 days before 1 st birthday	1 dose*
HIB (Hemophilus Influenza)	1 dose given after 12 months of age	0 (60 months or older)
Varicella (Chicken Pox)	1 dose*~	1 dose*~
HBV (Hepatitis B)	3 doses*	3 doses*
Prevnar	1 dose	0 (60 months or older)

* Proof of immunity by blood test is acceptable in lieu of vaccine history.

~Medical diagnosis of varicella disease is acceptable in lieu of vaccination. Medical diagnosis is documented history of disease provided by a physician or health care provider. Documentation must include month and year.

If your child has not received all of the immunizations listed above, contact your doctor, HMO or local health department to update his/her vaccinations.
