PARKSIDE HIGH SCHOOL

School Improvement Plan

2009 – 2010

It is the policy of the Wicomico County Board of Education to provide equal educational and employment opportunities regardless of age, gender, race, color, religion, national origin, disability or sexual orientation.

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

MISSION STATEMENT:

The mission of Parkside High School is to provide all students with the opportunity to acquire the knowledge and skills necessary to become productive citizens through the integration of academic studies with career and technology education.

BELIEF STATEMENT:

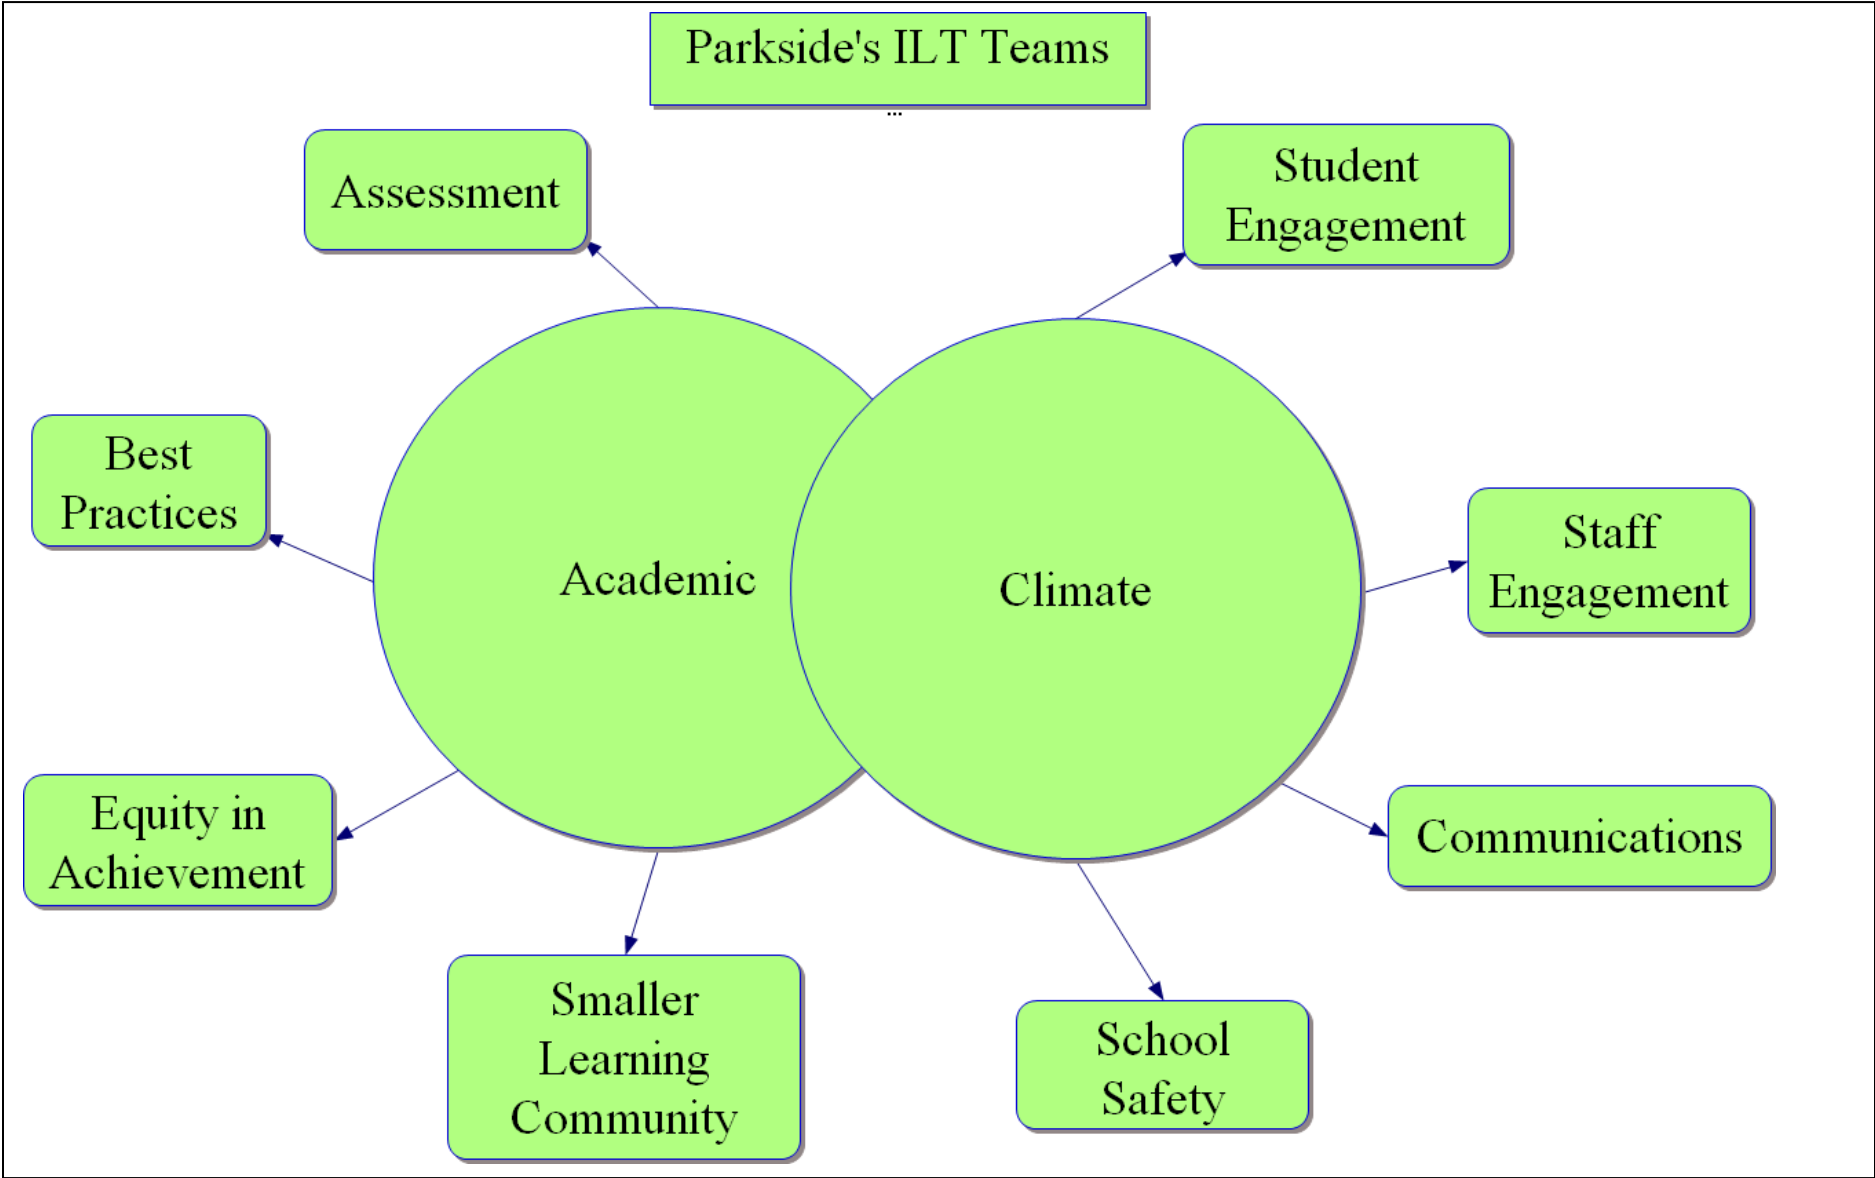

- All stakeholders are valued, appreciated and respected for their uniqueness and diversity.
- All stakeholders share the responsibility for effective learning.
- Student learning is the chief priority for the school.
- All students can learn.
- Students learn best when they are actively engaged in the learning process.
- A safe and caring environment is essential to learning.
- Students are provided with a variety of challenging curricula, instructional approaches and assessments.
- Students are responsible and accountable for their behaviors and decisions.
- In order to accomplish our mission, the commitment to continuous improvement is imperative.

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

ADEQUATE YEARLY PROGRESS (AYP) RESULTS SUMMARY:

**PARKSIDE HIGH SCHOOL

2009 – 2010**

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

ACHIEVEMENT TARGETS:

- For 2010, we will increase the percentage of students at proficient/ advanced in reading to 72.6% as measured by the English HSA
- For 2010, we will increase the percentage of students at proficient/ advanced in math to 72% as measured by the Algebra HSA.
- For 2010, we will increase (maintain) the percentage of student graduation to (at or above) 85.5%.

ENGLISH HSA/ BENCHMARK GOALS

English HSA:

During the 2009-10 school year, we will increase students' proficiency in <u>English</u> as measured by the English HSA results as shown:						
Student Group:	2008-09 Actual % Proficient	2009-10 Target % Proficient	2009-10 Actual % Proficient	2010-11 Target % Proficient	2010-11 Actual % Proficient	2011-12 Target % Proficient
All Students	70.3	64.8				
African American	45.3	38.2				
Asian	69.2	70				
Hispanic	100	50				
White	77.5	75.5				
FARM	43.3	46.2				
ELL	---	---				
Special Education	73.7	67.1				

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

English Benchmark:

During the 2009-10 school year, we will increase students' proficiency in <u>Reading</u> as measured by the English Mid YEAR 08 Bench Mark as shown:						
Student Group:	2008-09 Actual % Proficient	2009-10 Target % Proficient	2009-10 Actual % Proficient	2010-11 Target % Proficient	2010-11 Actual % Proficient	2011-12 Target % Proficient

Conclusions:

1. Describe areas of strength that exist through multiple data sources or grades.
 - 237 fewer referrals in 07-08 compared to 06-07
2. Describe any trends in the areas of strength.
 - In general special education assessment scores increased from previous years.
 - Attendance has increased 1% each year since 05-06.
3. Describe areas of need that exist through most or all data sources or grades.
 - FARM and African American referrals increased by 100 in 07-08 compared to 06-07.
4. Describe any trends in the areas of need.
 - African American students continue to have the highest referral rate and the highest dropout rate.

SCHOOL IMPROVEMENT PRIORITIES:

<i>Priority A: Accelerate student learning</i>	
Action Step	Aligns with Master Plan Strategy #
A1 Utilize effective instructional strategies to meet the needs of diverse learners and improve learning. <ul style="list-style-type: none"> • Cont. strategic reading practices across curriculum • Utilize H S A intervention strategies • Continue to provide after school tutoring and remediation on an individual basis based on optimal learning style • Identify at risk students • Provide opportunities for mentoring • Continue to make available HAS night 	2
A2 Examine student performance data (e.g., summative and formative assessment data, written work, portfolios, projects) collaboratively, utilizing the continuous improvement process. <ul style="list-style-type: none"> • Support the use of Edusoft to create and analyze assessments • Provide updated information about assessments to teachers • Identify best practices for at risk students in math, reading etc • Communicate to teachers of at risk students – re: performance levels 	2
A3 Utilize before, during and after reading strategies to meet the needs of diverse learners and improve learning in reading in all classes. <ul style="list-style-type: none"> • Provide/Organize Professional Development & Instruction Strategies • Create a culture of reading • Identify best practices for at risk students in math, reading etc • Maintain SURF as a median 	2
A4 Develop classroom level assessments that mirror the content and structural demands of High School Assessments. <ul style="list-style-type: none"> • Provide updated information about assessments to teachers • Provides support for teachers developing assessments • Identify best practices for at risk students in math, reading etc 	4
A5 Utilize strategies to teach problem solving, logic, etc. to meet the needs of diverse learners and improve learning in mathematics. <ul style="list-style-type: none"> • Provide/Organize Professional Development & Instruction Strategies • Support Mathematical thinking across the curriculum • Identify best practices for at risk students in math, reading etc 	2

2. Briefly describe the programs and/or practices that will be implemented to address the student learning needs that you have identified (e.g., using root cause analysis to examine student data; using content-based instruction to address student skills with reading for information).

- Expand opportunities for personalized instruction for all students by
 - using our PDS partners to continue to provide one-on-one reading support and develop a math program for one-on-one support
 - identifying the best practices in reading and math to be used cross-curriculum.
 - Using Edusoft as a data management tool that will be helpful in tailoring instruction to student needs
 - Using PLC's (Content Communities) to allow teacher collaboration and enhance instruction in order to increase student achievement.
- Increase teachers' repertoire of instructional strategies for teaching reading in the content areas and incorporating math concepts and data analysis throughout the instructional program by
 - identifying the best practices in reading and math to be used cross-curriculum.
 - dedicating professional development time to in-servicing on self-selected topics related to math and reading.
 - Supporting grade 9 academy teachers in identifying common instructional strategies for reading comprehension and problem-solving by providing time for work with outside consultants and PD coaches.
 - continuing to keep teachers up to date on the High School Assessments.
 - Using PLC's (Content Communities) to allow teacher collaboration and enhance instruction in order to increase student achievement.
- Address behaviors that interfere with instruction by
 - dedicating time throughout the school year to identify behaviors that the staff will agree to aggressively address.
 - continuing to monitor attendance and behavior data in order to connect struggling students with resources to support improvement.
- Increases teachers knowledge of technology in the classroom by
 - modeling the use of technology.
 - supporting the use of technology for differentiation and instructional purposes.
 - support the creation of teacher web pages.
 - support the use of Edusoft and X2.
- Support teachers on Advisory / Relationship building throughout the school year by
 - providing staff a forum for discussion.
 - using data and input to improve student-teacher relationships.

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

- identifying best practices to achieve successful advisories / student-teacher relationships.
 - Nurture a feeling of belonging that results in a positive school climate by
 - implementing the advisory program / Relationship building
 - providing opportunities for students and staff to get involved in PHS community activities
 - promoting “School Wellness” and healthy lifestyles.
 - developing and enhancing content communities (PLCs)
 - Increase teacher knowledge of crisis management strategies by
 - promoting understanding of our crisis management plan.
 - inviting an outside speaker to facilitate a discussion of best practices to de-escalate crisis situations.
 - continuing to implement the conflict resolution initiatives.
 - Open up the lines of communication for all stakeholders by
 - promoting teacher created web pages.
 - collaborating with all Instructional Leadership Teams to gather information.
 - exploring technological ways to open up communication.
 - developing and enhancing content communities (PLCs)
- 3. What specific teacher knowledge and skills will be addressed by the activities that you are planning?**
- Please see descriptions of activities above.
- 4. What action step(s) in the school improvement plan does the professional development address?**
- A1A,A1B,A2B,A2C,A3A,A3C,A4A,A4C,A5C,A6A,A6B,A7B,A9A,A9C,B5B,C1B,C2A,C3C

B. Activity/Program Content and Delivery

Program Description(s) (Briefly describe the content of each aspect of the program.)	Professional Development Content Standards ¹	Delivery System(s) ²	Participants	Person(s) Responsible for Planning	Is Follow-up Planned? (Yes or No) If yes, describe the follow up activities that are planned. ³
PLCs Collaboration	Collaboration Diverse learning	-large group PLCs -Discussion/ study group	Content Communities	SLC Team	Yes ,Discussion/study group Review of student work
Reading in content strategies	Content knowledge Quality teaching	Large group	All staff	Best Practices Team	Yes, Classroom demonstration
Math in content strategies	Content knowledge Quality teaching	Large group	All staff	Best Practices Team	Yes , Classroom demonstration
Relationship Building	Student learning environment	PLC's	All staff	Equality in Achievement Team	Yes, Discussion+ study group
Assessment + data review	Research-based collaboration	PLC's Large group	All staff	Assessment Team	Yes, additional presentations
Technology to improve instruction	Content knowledge + quality teaching	Demonstration	All staff	TRT	Yes, classroom demonstration
Crisis Management	Student learning environment	Large group	All staff	School safety Team	Yes, monthly review of data by school safety team

SCHOOL IMPROVEMENT PLAN
2009 – 2010**

Notes

¹ **Indicate which of the content standards for professional development will be addressed. (Additional information about each standard is included in the Appendix)**

- Content knowledge and quality teaching
- Diverse learning needs
- Research-based
- Collaboration
- Student learning environments
- Family involvement

² **Indicate the type of delivery system(s) that will be used.**

- Large group presentation
- Discussion/study groups
- Demonstrations
- Observation of participants
- Feedback to participants on mastery of new knowledge and skills
- Action Research
- Review of student work and planning instructional improvement
- Preparation of new instructional materials
- Other (describe)

³ **Types of follow up activities might include:**

- Additional presentations and introduction of new content
- Discussion/study groups
- Classroom demonstrations
- Observation of participants
- Action research
- Review of student work
- Preparation of new instructional materials
- Formal feedback on efforts to implement and use new knowledge and skills

**PARKSIDE HIGH SCHOOL
SCHOOL IMPROVEMENT PLAN
2009 – 2010**

5. Briefly describe how principals and other school leaders will be involved in the activity or program.

- Principals and other school leaders will be involved in:
 - PLC Collaboration
 - Assessment and data review
 - Relationship building
- Principals and other school leaders will be visible during:
 - Reading in content strategies
 - Math in content strategies
 - The use of technology to improve instruction
- Principals and other school leaders will model:
 - Technology
 - Relationship building
- Principals and other school leaders will be part of the implementation and the process of:
 - Crises management plan
 - PLC collaboration
 - Assessment and data review
