

Student Publicity Permission Agreement

Dear Parent/Guardian,

During the 2009-2010 school year, we anticipate having many opportunities to publicize the activities of our students. Publicity may take the form of photographs to hang in our school or to appear in newspapers or to use in school or Board of Education displays; Awards & Recognitions Nights; video for school use or for television; media interviews and photography for television, newspaper or radio stories (at the discretion of the principal); stories for publication in the school newsletter or in Board of Education news releases; and postings on school web sites and/or the Board of Education's web site, local media web sites, or on-line instruction-related activities such as wikis and VoiceThreads.

We are very proud of our students' accomplishments, and we know you are, too. We believe this publicity will be part of your student's positive school experience. However, before allowing your student to appear in any publicity, we need to have your permission. Please complete the permission slip below and have your student return it to the school tomorrow. If a signed permission slip is not returned to the school, giving approval to have your student appear in any publicity, we will not involve your child in any publicity opportunities.

If you have any questions, please feel free to contact me. As always, thank you for your help and support for our school.

Sincerely,

[add name]
Principal
