

FOLLOWING THE COURSE

*“Whatever course you
decide upon, there is
always someone to tell
you you are wrong.
There are always
difficulties arising which
tempt you to believe that
your critics are right. To
map out a course of
action and follow it to the
end, requires some of the
same courage which a
soldier needs.”*

Wicomico County Public Schools Parent/Student Service Provider Boot Camp

Wicomico County Public Schools
Dedicated to Excellence in Education

Is your student ready to meet their post secondary employment/training and educational outcomes?

In the State of Maryland, Transition Planning begins at age 14. Informed students and families gain knowledge.

Remember that Knowledge is Power. Informed individuals become better self-advocates and are prepared for the transition from high school and have plans in place to meet their post-secondary goals.
