

“Long term planning is not about making long-term decisions. It is about understanding the future consequences of today’s decisions.”

- Gary Ryan Blair

WICOMICO COUNTY PUBLIC SCHOOLS

**Teacher Boot Camp on Effective Transition
Planning with Service Providers**

Dedicated to Excellence in Education

Are you seeking training in order to assist students and families to meet Postsecondary goals?

In Maryland, Transition Planning begins at age 14. Informed students, families, and teachers need to gain knowledge about the transition process. **Remember that Knowledge is Power.** Informed individuals become better advocates and are more prepared for the transition from high school. Having a plan in place is key in meeting post-secondary goals.
