Dear Family,

The Wicomico County Board of Education strives to provide the best instruction possible in every classroom within our school system. Consistent with this effort, Every Student Succeeds Act of 2015 provides parents the opportunity to request information about the professional qualifications of their child's classroom teacher and paraprofessional. This information may include:

1. Highest degree earned;
2. The subject areas of the teacher's certification;
3. Type of Maryland certificate held; and
4. Whether your child is served by a paraprofessional (instructional assistant) and if so, his/her qualifications.

This request must be submitted in writing to the building principal or Human Resources Director. The Human Resources Department will respond to your request within 30 business days.

Thank you for your support and cooperation.

Sincerely,

  
\_\_\_\_\_, Principal  
Prince Street Elementary School
