TITLE I DISTRICT FALL PAC VIDEO

You are invited to take part in the District Fall PAC (Parent Advisory Council) meeting by watching and responding to the video.

PAC provides an opportunity for you to give suggestions and thoughts on the district's plan for improvement, activities, resources and needed services. Your feedback is critical in helping our schools achieve the goal of providing each student the best education. It is also your right!

Click on one of the links below or scan the QR code. Once in the program you can make a language choice by clicking on the three lines in the upper left hand corner.
