Partners in Learning Compact

Our Partners in Learning Compact is an agreement between the school, family and students to work as a team to achieve academic success.

Each student receives a compact at the beginning of the year. It is housed in each student's take-home folder so that it is always visible. The compact along with translated versions are available on our website.

The compact is referred to and reviewed throughout the year during various parent conferences, meetings and events.

The compact is updated with input from parents at our Spring PAC meeting in order to prepare for the upcoming school year.

Family Engagement Brochure

- Our Family Engagement plan is detailed in our brochure.
- The plan incorporates the ten components of a school-wide program.
- Instructional, program and attendance goals are defined in our plan.
- Copies of our brochure are distributed to each family.
- The brochure is also available to view on our website.
- The brochure is updated with parent input at our Spring PAC meeting.
- Translated copies are available and posted on our website.
