September 3, 2019

Dear High School Student:

One of my great honors as a Member of Congress is nominating some of the finest young men and women of Maryland's First Congressional District to our nation's military service academies. As a retired Naval Commander, I am personally familiar with the selfless dedication of our nation's military forces who work tirelessly to keep our country free. Our troops need outstanding leaders - officers who will guide them in pursuit of our common goals.

If you are a highly motivated, well-rounded, successful student, I invite you to consider the unique opportunity to develop physically, ethically, and intellectually while building a foundation for an exciting, challenging, and rewarding career as a military officer in the service of our nation. I am privileged to participate in the process of service academy appointments, ensuring that this community continues to provide some of the next generation's outstanding military leaders.

A Congressional nomination is required for students wishing to enter the U.S. Military Academy, West Point, New York; U.S. Naval Academy, Annapolis, Maryland; U.S. Air Force Academy, Colorado Springs, Colorado; and the U.S. Merchant Marine Academy, Kings Point, New York. Successful applicants will have a broad academic background, the ability to pass a physical aptitude test and strong leadership potential. An applicant must also be:

- a U.S. citizen
- a high school graduate between the ages of 17 and 23
- unmarried
- have no dependents
- of high moral character

Acceptance of a service academy appointment requires at least a nine-year service obligation, including four years at an academy and five years of active duty service. For further information, please visit the academies online:

United States Military Academy at West Point: <http://admissions.usma.edu/>

United States Naval Academy: <http://www.usna.edu/admissions/>

United States Air Force Academy: <http://www.usaf.edu/admissions/>

United States Merchant Marine Academy: <http://www.usmma.edu/admissions/>

United States Coast Guard Academy: <http://admissions.uscga.edu/2e/admissions/> (independent of Congressional involvement)

If you are interested in being considered for a military service academy nomination for the class of 2024, you must submit an application to my Kent Island District Office by November 15, 2019. Please contact my Kent Island District office, at 410-643-5425, for further information and to request a nomination application. Interviews will be conducted in early December, and the academies will be notified of my appointments by December 30, 2019.

Thank you for your interest in the service academies.

Sincerely,

Andy Harris, M.D.
Member of Congress
