Tanpri fe tre atansyon \_\_\_\_\_, gen yon ekip moun ki poze kom twazyem-pati ki ap bay yon seri de servis ke responsab Distri Wicomico pa ka kontwole, yap voye nan kay yo yon seri de vwa otomatik pa telefon ki nan tradiksyon yon seri de lang tankou Kreyol. Distri nou an pa ka garanti ke tradiksyon sa yo korek epi fyab pou mod servis sa yo, donk tradiksyon sa yo pa dwe konsidere kom tradiksyon ke egzat; nan sans sa, itilize yo selman kom yon gid ki pa pafe nan zafe tradiksyon.
