

DIRECTIONS FOR ACCESSING STUDENT LAPTOP

1) Plug the computer into the charger and login in as pictured below.

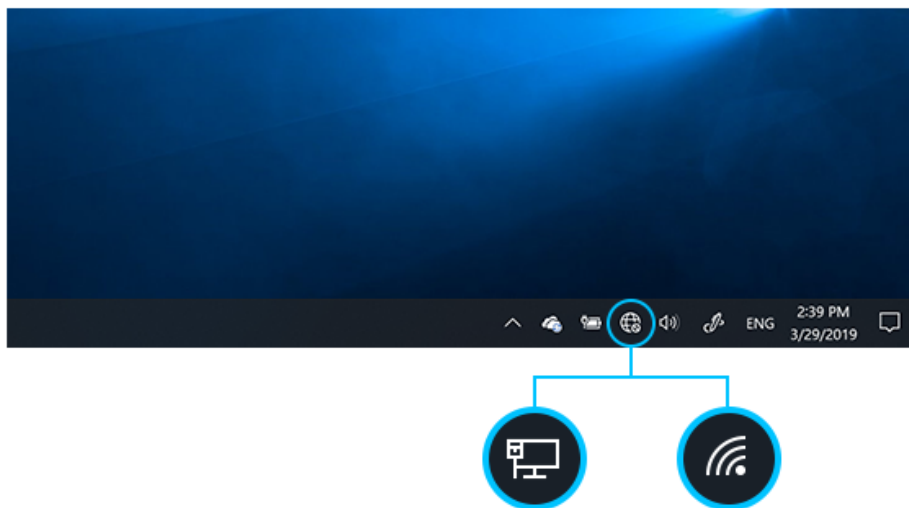

STUDENT USERNAME

STUDENT PASSWORD

2) Connect laptop to your home internet network

Select the **Network**  icon on the taskbar. The icon that appears depends on your current connection state. If you don't see one of the network icons (or a similar one) shown in the following image, select the **Up arrow**  to see if it appears there.

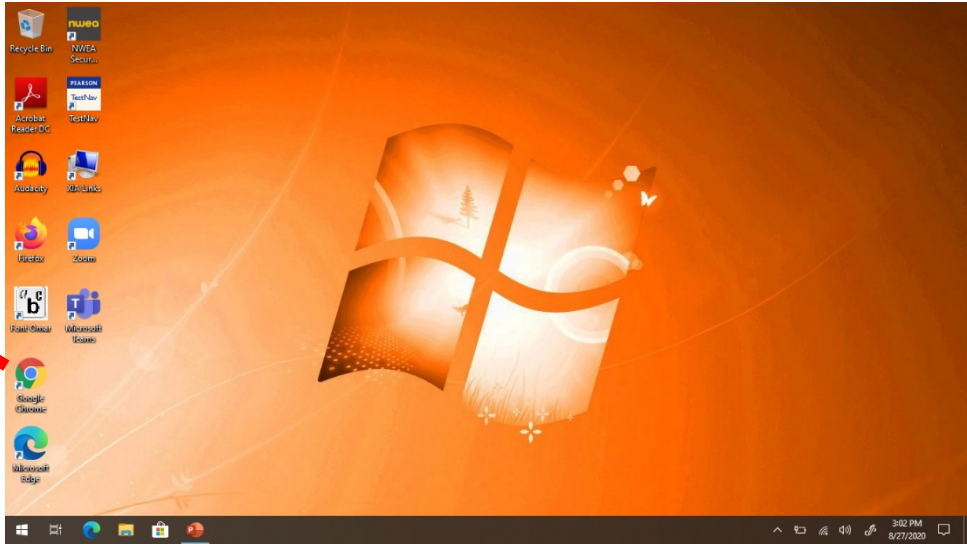

Choose the Wi-Fi network you want, then select **Connect**.

Type the network password, and then select **Next**.

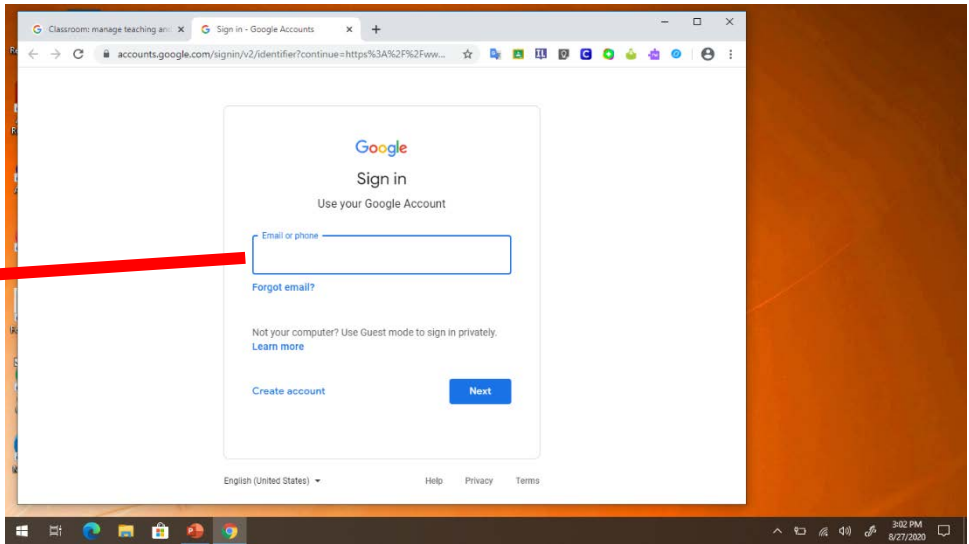

3) Click on "Google Chrome." This will take students to the Google Classroom login.

Click on the Google Chrome icon

4)

Enter student's GOOGLE CLASSROOM USERNAME.
Then click NEXT.
Follow on-screen directions to enter the STUDENT PASSWORD OR Verify student identity.

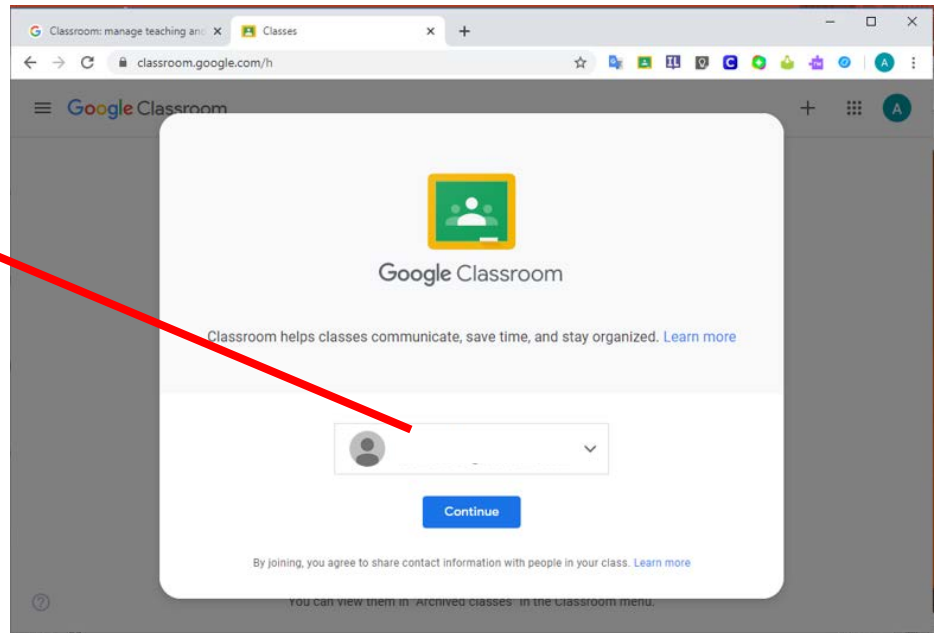

5) If Google Classroom does not open, click on the "Waffle" in the top right corner of the Google Chrome browser and then click on "Classroom."

6)

Students will see their name in this box.
Click CONTINUE

7) Select **"I'm a student"**

Student classes should now appear. Students may also click the "+" sign at the top right and enter a class code to access classes. *Example, by adding the class code **ynb4ifh** students will have access to a practice class.*
