Community Use of School Facilities Procedure

I. Purpose
The purpose of this procedure is to implement the Community Use of School Facilities Policy of the Wicomico County Board of Education and to establish the process by which schools, parent, teacher, student organizations, outside agencies and organizations, and members of the community may request the use of Wicomico County Public Schools (WCPS) Facilities.

II. Procedure
A. Request Process
1. Any school, organization, outside agency, or individual member of the community (requestor) wishing to use WCPS facilities must submit a request for facility use electronically by accessing the WCPS facility use webpage on the WCBOE website. No facility shall be made available for use to a school, organization, outside agency, or individual without following this request process.
2. As school-sponsored activities take precedence over outside community activities, outside organizations and individual members of the community should submit their request for facility use no more than six (6) months prior to the event, and no less than forty-five (45) days in advance.
3. Once the request for facility use has proceeded through the automated approval process the Rental Coordinator will notify the requestor of approval or denial of the request within ten (10) working days following receipt of the request.
4. If approved, the requestor will be issued a written contract, showing a description of the event as well as dates, times, service, and insurance and payment requirements. The contract will be signed by the Director of Maintenance, Operations, and Energy (MOE) Services.
5. Upon receipt of the contract, the requestor must accept, sign, and return the contract to the Rental Coordinator within ten (10) working days. If the requestor wishes to amend any portion of the contract, an additional fee will be collected for each amendment. No event will be considered confirmed until the contract, and necessary payments, have been received by WCPS Department of Maintenance, Operations, and Energy (MOE).
6. Once the requestor returns the contract, and all necessary payments have been made, the appropriate individuals within school system administration (Operations, Building Service Manager, School Principal, Finance, Energy Management, and Security) will be notified by the Rental Coordinator about the event, and issued copies of the contract.
B. Rental Fees

1. Rental fees will be calculated by the Rental Coordinator using the current approved “Fees for Use of Wicomico County School Facilities” located in the WCBOE budget book.

2. Fees will be assessed based upon the particular hours requested for facility use.

3. Fees will be assessed for the request of certain equipment.

4. Fees for additional staffing that may be required will also be calculated.

5. Fees will be calculated based upon whether the organization or agency is either a for profit or non-profit organization.

6. Any organization that identifies as a “non-profit” organization must supply evidence of such status to the Rental Coordinator by providing a copy of the organization’s IRS 501(c)(3) tax-exempt letter, or by some other acceptable means. Upon evidence of non-profit status, the non-profit rates will be used.

7. A waiver of, or discount off calculated rental fees will be considered as follows:
   a. Waiver
      i. In order to qualify for a waiver of all calculated rental fees, the event must meet the following criteria:
         1. The event must be sponsored by WCPS or one of our schools, or

         3. The event must be sponsored by another governmental entity, educational institution or “non-profit” organization, and the event specifically involves and benefits or supports the staff and/or students and families of WCPS.
      ii. The event must also:

         2. Require no admission fee to enter the event.
         3. Have a primary objective whose purpose is not fundraising. (i.e. fundraising may be a secondary activity but must not be the main purpose of the event.)

   b. Discount
      i. In order to qualify for a discount of all calculated rental fees, the event must meet the following criteria:
         1. The event must be sponsored by WCPS or one of our schools, or
         2. The event must be sponsored by one of our schools’ Parent Teacher Student Association (PTSA), or
         3. The event must be sponsored by another governmental entity, educational institution or “non-profit” organization, and the event specifically involves and benefits or supports the staff and/or students and families of WCPS.
      ii. Discounts will be applied as follows:
1. 30% discount off calculated rental fees will be considered when:
   a. An admission fee or ticket charge is levied to enter the event, or
   b. The primary reason for the event is a fund raiser to support the school.
2. 50% discount off calculated rental fees will be considered when a testing fee is charged to students in accordance with a published fee schedule in order for students to take a standardized test.
   iii. If any question arises regarding the application of waiver or discount, the Chief Finance and Operations Officer (CFOO) shall be contacted by MOE Department staff.

8. If security is required, the requestor will be billed for the actual cost of security provided by the Wicomico County Sheriff’s Department after the completion of the event. Security for all events will be considered and will be determined on a case-by-case basis by the Rental Coordinator. Generally, security will be required whenever admission to an event is charged and/or it is estimated that more than 100 people will be in attendance at the event.

C. Payment
   1. Application fee is due at time of request. Application fee will be waived when the applicant is a federal, county or local government agency.
   2. Rental fees are due as follows:
      a. All rental fees are due ten (10) working days prior to the event date.
      b. Any additional charges assessed will be billed after the event and are due within 30 days after receipt of the invoice.
      c. Any damages assessed by the event supervisor as a result of mis-use of the Board’s property or equipment will be billed after the event and will represent the actual cost of the damages. Payment is due in 30 days upon receipt of the invoice.
   3. Security Charges will be billed for the actual cost of security provided by the Wicomico County Sheriff’s Department after the completion of the event.
