

School Year 2022-23 Sports Registration Packet Directions

Dear James M. Bennett Athletes and Families:

I would like to extend a warm welcome to all new and returning Clippers for the 2022-2023 school year!

Many of you will be participating in our athletic programs this year. I am certain your experiences will be most rewarding. We are very proud of our teams here at James M. Bennett High School and we look forward to your participation and the sharing of your successes.

We are in our fifth year using the convenient online registration for our sports programs through the registration platform, Form^{Re}Leaf! Form^{Re}Leaf is an intuitive and hyper-secure registration platform providing you with a user-friendly way to register for our programs, while helping us to be more administratively efficient.

All athletes will be required to have this information submitted prior to participation in athletics. This program is replacing the previous paper packets you filled out for your child. The information will be stored, so year to year you will just be updating information. Please make sure to read the directions carefully, if you miss information it will not submit, please check that your status says "Complete" if you see "Incomplete" click and the section(s) will be highlight red with what needs to be corrected. This program can be accessed on cell phone, tablet, or computer, if you are unable to get access to the internet please contact Ms. Rose at KRose@wcboe.org.

Before registering, be sure to have the following information handy:
