To Our Incoming Sixth Graders,

Welcome to Salisbury Middle School! We hope you are as excited about the approaching school year as we are! As you begin to prepare for school, we have put together a list of supplies that you will need to make your transition into Salisbury Middle School a success. **Please do not bring any of these materials with you the first day because you will only need a pencil and your lunch.** Enjoy the rest of the summer and we look forward to seeing you in August!

--The Sixth-Grade SMS Teams: The Sharks & The Superstars

***Please note: Teachers may require additional materials not listed below, or may NOT use all of the materials – you may want to wait to see what teachers actually require on each team. All materials should be purchased by Wednesday, September 4th, as teachers will be setting up materials that day!***
